LETTER OF RECOMMENDATION

Emir Degirmenci has worked with Tolkegruppen Oversættergruppen P/S since 19 October 2015, carrying out a variety of interpreting assignments in both Turkish and Arabic.

Emir undertook his first interpreting assignment on the day he started and has continued to work as a highly valued interpreter ever since. We greatly appreciate Emir's dedication to his work and the consistently high standard of his performance. Our clients and the citizens they serve appreciate Emir's understanding and empathy. He is equally competent in Danish, Turkish and Arabic, both linguistically and culturally.

The assignments Emir has carried out for us include interpreting services at municipal institutions, assignments in courts and the legal field, and interpreting for the State Administration.

I recommend Emir in the strongest terms.

I am certain that he will be a valuable and active employee for any future employer.

Should further information be required, I would be happy to provide it.

Yours sincerely,

Jesper Harder Søndergaard
